- \* Switchable compressor
- \* 3 Band EQ including swept mid.
- \* Direct out.
- \* Headphone socket.
- \* External cabinet socket for connecting to a 16 Ohm, 8 Ohm or 4 Ohm cabinet.

**HC25**

**HC25R**

**HC25B**

The totally **BRITISH** built Hardcore range consists of five models, three guitar and two bass, designed to produce radically cool tone and un-paralleld flexibility.

The **HC25R** offers 25 watts of rock hard power. From totally crisp clean sounds to lead tones capable of some real demolition jobs, all delivered by its **BRITISH 10 HH HARDCORE** speaker.

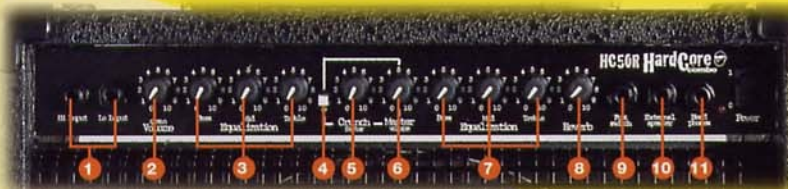

Combine this with footswitchable channel & reverb facilities, headphone socket, external speaker socket and you've got a real monster amp. Connect the external speaker socket to a 4x12 and you've got a really **HUGE** monster. The **HC25** has all the same cool tones and features without reverb.

The **HC25B** features 25 watts of thundering bass power, Active & passive inputs, a switchable compressor and 3 band swept Mid EQ. Couple this with a **DI**, Headphone socket and External speaker socket, which you can connect to any bass enclosure of your choice and you've got real Bass tone.

The **HC50R** is the menacing big brother of the **HC25R**. All the same great features as the **HC25R** but with 50 watts of output power, 12 **BRITISH HH HARDCORE** speaker and **TWO** independent footswitchable channels, each with its own three band EQ gives you unlimited flexibility. Connect the **HC50R** to an extension cab and get crushing tones every day of the week. Just what the rock doctor ordered! The **HC50B** is no slouch all the features and flexibility of the **HC25B** but with 50 watts of output power and a 12 **BRITISH HH HARDCORE** speaker.

Don't be a headcase try a **HARDCORE**

## HC50R Front Panel

1.- Hi Input & Lo Input. 2.- Clean Volume. 3.- Clean Channel Equalisation, Bass, Mid & Treble. 4.- Crunch Factor On. 5.- Crunch Channel Equalisation, Bass, Mid & Treble. 6.- Master Volume. 7.- Crunch Channel Equalisation, Bass, Mid & Treble. 8.- Reverb. 9.- Footswitch. 10.- External Speaker Socket 11.- Headphones.
